 Nutrient
 E. coli
 Sediment

Is this parcel enrolled in any other farm bill programs? (please circle)

No
 EQIP
 WHIP
 CRP
 CSP
 WSP

Estimated Total Project Cost:

Please attach detailed documentation of your estimate for the total cost of the project. Adequate documentation should include a contractor's bid, price quote, or other supporting documents.

I understand that I will be required to sign a contract with the Newton or Jasper County Soil and Water Conservation District detailing this project and their contracts will need to access my property to annually to photo document the status of the installed practice. Furthermore, I understand that submitting this application does not guarantee funding, that all projects require a 25% match (cash or in-kind) and that project funding will occur on a reimbursement basis.
